

**PROF. SHRUTHI K NAIK**

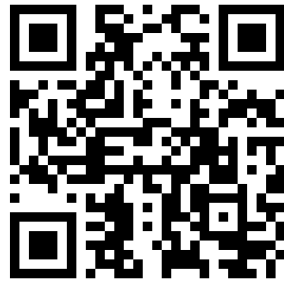

Principal Message:

New City College and School of Nursing was started in the year 2010 situated in the heart of Udupi. The Institution strives to provide quality based education in nursing through a dedicated team of faculty members; evidence based nursing practice at our own parent hospital and a comprehensive learning experience for our students.

Our motto "Study to Serve Humanity" has been the guiding force to study and utilize the scientific body of professional knowledge to serve the suffering humanity around us. With this note, I extend a warm welcome to the aspiring students, come and experience the learning environment at New City College Group Of Institutions.
